- (b) The Historic Class will form up on the next available grid box behind the last RX8 and RX7 Plus class cars then:
- (c) Any other grid of invited cars will form up with one full grid row spacing behind the Historic Class (if present).

6.5 Race starting positions: The race starting positions for all Rounds are as follows:

- (a) **Race One:** Grid positions will be determined by the fastest lap achieved in the qualifying session for each class, fastest driver to the front.
- (b) **Race Two:** Grid positions will be determined by the finishing positions of Race One with the first ten(10) cars in each class in reverse grid formation. The remaining cars will start in order of finishing Race One. Where more than one(1) driver fails to finish Race One, their starting order will be from the rear of the grid of their class, in order of their qualifying times. Any competitor who has been disqualified from Race One will start behind these competitors, in qualification time order.
 - (i) If a competitor receives a post-Race penalty during Race One that gives them a positive effect for reverse top 10 grid(s) in Race Two, then that competitor will start at the rear of the reversed top ten(10) cars in order of penalty being received.
- (c) **Race Three:** Grid positions will be determined using the following method:
 - (i) Drivers will be ranked in descending order using combined Race Points gained by the driver in the preceding races at that Round, with the highest scoring driver of the Round ranked in grid position one; then
 - (ii) In the case of equal Race Points at that Round, qualifying times will be used to allocate the higher position; then
 - (iii) In the event of a driver having no Race Points at that Round, their qualifying times will apply. They will be placed in a descending order behind the lowest ranked Race Series Points driver.

6.6 At all Rounds, the Clerk of the Course and/or the Stewards of the Meeting, reserves the right to shorten and/or cancel any practice/qualifying sessions and/or Races in the case of Force Majeure.

7. PARC FERMÉ:

7.1 At the conclusion of any qualifying session and/or race, Drivers upon directive from the Series Scrutineer or their appointed assistants, shall drive their competing vehicle directly (and without any team personnel/crew intervention) from the track to the designated Parc Fermé. The location of Parc Fermé will be notified on the official notice board of the meeting.

Note: *It is the competitors' responsibility to ensure that all their team personnel are familiar with the Parc Fermé regulations and limitations as detailed in NSC Article 60.*

7.2 The Series Scrutineer may authorise entry of team personnel for the purposes of vehicle eligibility inspections.

7.3 Unless the Series Scrutineer consents in each particular case, any car unable to proceed to Parc Fermé under its own power must nevertheless be delivered there as soon as practicable.

8. PENALTIES

8.1 **Driving Standards:** In addition to any penalties imposed by the Clerk of the Course or Stewards, the following penalties shall also be applied by the Clerk of the Course or Stewards at any Series event. The points penalty shall be applied to each race result and the "offence" will accumulate from either (i) – Careless Driving or (ii) Dangerous Driving during the season.
